Defeat of New  
Constitutions Is  
General Over U.S.

Looking back at the November elections I note that the proposed new Arkansas state constitution was defeated decisively—a voter reaction that was general throughout the nation.

I voted an absentee ballot from Florida in all elections, being down there four months for eye and dental surgery—and Florida citizens, like our own, rejected various changes in that state's constitution.

In The Star of Nov. 6, which I received at Sarasota, Fla., an Associated Press dispatch from Little Rock quoted Robert W. Meriwether, associate professor of political science at Hendrix college, as citing four reasons for defeat of the proposed constitution in Arkansas:

1. Opposition of county officials.
2. Opposition of the voters to proposed increases in local governmental power.
3. Fear and apathy among the people.
4. Misrepresentation of the facts by avowed opponents of constitutional change.

The third point—apathy of the people—is, I believe, closest to the truth. Practically alone among the states, Illinois supported constitutional reform—but, as retiring local State Representative Talbot Feild, Jr., pointed out to me upon my return home, Illinois had no issues other than the constitutional one—with the result that only a sparse number of voters turned out for the election. Wherever there was a big turnout constitutional reform was rejected.

Arkansas had a full election state, and the new constitution was beaten.

Hempstead county divided almost evenly on the issue of the constitution—with 2,687 For, to 2,663 Against. Perhaps our close showing was due to this newspaper's guarded endorsement, plus the O.K. of Bill Effer, our delegate to the constitutional convention.

The Star disliked some parts of the proposed new charter, but supported it because we felt the population shift from rural areas to the cities posed some problems of taxing changes which sooner or later must be accepted by the people.

I prophesize the basic ideas behind the defeated constitution will be resubmitted from time to time until the people finally ratify a new charter.

Time will tell if I am right.

## Swiss Banks Told to Give IRS Data

LAUSANNE, Switzerland (AP) — The Swiss federal Supreme Court has ordered a Swiss bank to give the U.S. Internal Revenue Service information about the account of an American suspected of tax fraud.

In rejecting the American's appeal against an earlier similar ruling by the Swiss Tax Administration, the court referred to the Swiss-American double taxation agreement allowing the Swiss to waive banking secrecy in all cases where tax fraud has been committed or where there are grounds to suspect it is being attempted.

Tax evasion is not considered a criminal offense in Switzerland, which is considered a haven for foreign tax dodgers because of its banking secrecy rules. But tax fraud, such as the forgery of documents in connection with tax evasion, is a criminal offense, and in such a case the bank can be ordered to bare its clients account, regardless of where the fraud was committed or attempted.

The court did not identify the American about whom the U.S. government is seeking information.

## Accomplishments of Congress Overshadowed by Its Frustrations

WASHINGTON (AP) — The 91st Congress, its early accomplishments largely overshadowed by frustrations of the post-election session, has passed into history, only 19 days before a new House and Senate take over.

Procrastination in the earlier months and refusal to gear its horse-and-buggy machinery to the space age created a session-end impasse which long hours and long talk could not overcome.

Adjournment came Saturday afternoon after the Senate agreed to a House-passed resolution shifting the debate over the supersonic transport plane to the 92nd Congress. The compromise allows funding of the 1,800-mile-an-hour plane and continues Transportation Department spending through March 30.

Some major bills lost in the adjournment shuffle were victims of such Senate filibusters as those over the SST and restrictions on the president's use of troops in Southeast Asia. One talkathon lasted almost two months.

Adding to the crush allowed to pile up for the lame-duck session were long weekends and lengthy holiday recesses earlier in the year and a one-month summer vacation.

The traditional four-day congressional week just didn't work. Although official records for the two-year session show an elapsed time of about 700 days, the Senate worked only 207 days and the House 164.

During that period, the annual salary of congressmen rose from \$30,000 to \$42,500.

Swept under the rug in the hasty adjournment cleanup were such major proposals as

welfare reform, a far-reaching foreign trade bill, increases in Social Security benefits and payments, and proposed constitutional amendments dealing with women's rights and electoral college reform.

All of them except the Social Security bill had passed the House, only to die in the Senate.

The 92nd Congress convening Jan. 21 with more than 50 new faces may revive some or all of them. But they must run the entire legislative gauntlet because all legislation not passed died with the 91st.

The frustration of many House members over Senate inactivity was put into heated words in an unprecedented blast by House Republican Leader Gerald R. Ford of Michigan.

"The House of Representatives has done its job," Ford told his colleagues in a closing-hours speech which disregarded the rules of comity.

"But there is another part of this legislative branch that, in my opinion, has not done its job and I, for one, am fed up with the procrastination, the indecision, the inability to get the job done on the other side of the Capitol.... I just hope and trust that the American people know where the fault lies."

## Inaugural Speech 6:30

LITTLE ROCK (AP) — The Arkansas Symphony Orchestra and the Bach Society of Little Rock will present a concert at 4 p.m. Jan. 12 in the Capitol rotunda prior to the inauguration of Gov.-elect Dale Bumpers.

Bumpers will present his inaugural speech at 6:30 p.m. at the Capitol and will host a public reception afterwards.

Friday, January 1, in the large courtroom of Hempstead Courthouse, Chancellor Royce Welsenberger administered oath of office to County Officials. The Rev. Norris Steele gave the invocation.

Sworn in were, left to right: Circuit Clerk Jim Cole, County Clerk Pat House, Coroner J. T. Honeycutt, Judge Finis Odom, Sheriff Henry Sinyard, Juvenile Court Referee Larry Patterson, Tax Assessor Carter Sutton, Treasurer Harry Hawthorne and seated at the bench, Judge Royce Welsenberger.

Sheriff Sinyard's staff includes deputies Howard Milam and Freddy McCulley; Office, Mrs. Henry Sinyard, Mrs. Dee McMurrrough, Mrs. Georgia Bledsoe. County Clerk Pat House's staff includes Mrs. Claudia Hart and Susan McCain.

Assessor Sutton's staff includes, Mrs. Sutton and Mrs. Howard Reese.

Treasurer Hawthorne's staff includes Mrs. Hawthorne and Mrs. Isabelle McCorkle.

Jim Cole's assistant is his wife, Mrs. Leona Cole. Bottom photo shows Justices of the Peace who make up the Quorum Court. Deputy Prosecuting Attorney John Robert Graves and Ford Ward, Constable of DeRoan Township were also sworn in.

## 434 Persons Killed Over Holidays

By THE ASSOCIATED PRESS

Traffic accidents claimed 434 lives over the three-day New Year's holiday weekend during which much of the nation was battered with heavy snow making roads treacherous.

The National Safety Council had estimated that between 400 and 500 motorists would die during the period from 6 p.m. local time Thursday to midnight Sunday.

The number was far below the record high of 564 in 1965 for the three-day celebration which brings in the new year. The record low since World War II for the period is 269, set in 1949.

The New Year's holiday is normally freer from accidents than other holidays. In the past year 612 persons died during the Labor Day weekend, 540 during July 4th and 509 during Christmas. All were three-day celebrations.

## Minor Accidents Investigated

Two accidents were reported by City Police over the weekend, neither resulting in much damage. At 6th & Main autos driven by Margaret Moses of Washington and R. C. Lehman Sr. of Hope collided with minor damage resulting. Officers Clark and Haltom investigated.

At Third and Main autos driven by Carroll McNeal of Little Rock and Norman W. Bain of Hope collided. There was little damage and no charges by Officers Haltom and Purtle.

## Wants Right to Seize Autos

LITTLE ROCK (AP) — Art Givens of Little Rock, representative-elect from Pulaski and Perry counties, says he will introduce a bill in the legislature calling for the seizure and sale of cars carrying non-prescription drugs.

Givens said the funds from the sale of the cars could be used by agencies dealing with drug abuse education programs and the rehabilitation of drug users.

## Arkansas Is Hit by Heavy Snow

By THE ASSOCIATED PRESS

A winter storm that dumped up to three feet of snow in parts of the Midwest battered Arkansas Sunday with high winds, big nuggets of hail and at least one tornado.

State Police said the tornado touched down near Hollywood (Clark County) Sunday afternoon, heavily damaging one house and causing minor damage to several others. No one was injured.

The storm caused the heaviest damage at the home of James Baker. Baker lived about three miles west of Hollywood on Arkansas 26. The house, which is owned by Ray Copeland of Arkadelphia, was almost totally destroyed, police said. Ten persons in the house when the storm struck were not injured.

High wind blew down several trees near the Hackett community in Sebastian County but no damage to buildings was reported.

Hall the size of quarters was reported at Horatio (Sevier County), DeQueen and near Russellville. Police also report-

## 2nd Degree Murder Charge in Shooting

David O'Dell, 43, of Hope Rt. 1, was shot to death Friday night and a charge of second degree murder has been filed against James E. Moore, of Texarkana.

The charge was filed after an investigation by State Investigator Travis Ward and State Trooper Wallace Martin, Sheriff Henry Sinyard and Deputy Sheriff Freddy McCulley. The shooting occurred about 11:30 p.m. January 1, eight miles south of Hope in the yard of the deceased.

Moore has been released on bond and his arraignment has been set for January 11 at the Hempstead Courthouse.

Sheriff Sinyard said O'Dell had been shot twice with a .38 cal. pistol.

Survivors include his wife, Mrs. Dora Louise O'Dell; two sons, James David and George Andrew O'Dell; five daughters, Nancy Jean, Belinda Louise, Teresa Lynn O'Dell of the home, Mrs. Kay Walker and Mrs. Becky Cearley, all of Hope.

Services were held Monday at Providence Baptist Church by the Rev. Elbert O'Steen and the Rev. Lane Garner. Burial in Central Cemetery by Herndon Funeral Home.

WASHINGTON (AP) — President Nixon will hold an hour-long radio-TV conversation with four broadcast journalists tonight.

WASHINGTON (AP) — A former military undercover agent says he spied for nearly six months on a Colorado youth group because an officer feared they would turn soldiers against the Vietnam war.

HYDEN, Ky. (AP) — Investigators Sunday blamed a dynamite blast spread by coal dust for the mine disaster which took 38 lives in Kentucky last week.

SACRAMENTO, Calif. (AP) — Gov. Ronald Reagan, in an address for his second inaugural today, says he will propose total reform of California's welfare system to lead the nation in ending subsidies to "those whose greed is greater than their need."

## Urges Youth Group Be Left Intact

LITTLE ROCK (AP) — Tom Dillard, chairman of the Young Republican League, said Sunday night the executive board of the YRL had adopted a resolution urging Gov.-elect Dale Bumpers to allow the Governor's Youth Council to remain intact when he takes office.

Gov. Winthrop Rockefeller created the council by executive order in 1967 to give youth a voice in state government. Dillard said the future of the council would be placed in jeopardy without the support of Bumpers.

Most of the travelers found refuge in truck stops and state police asked farmers to keep their lights burning through the night so their homes would be visible to stalled motorists.

Southeastern Nebraska and western Iowa were paralyzed as blowing snow reduced visibility to zero. Airports were shut down in Des Moines and Council Bluffs, Iowa, Omaha and Lincoln.

Nine inches of snow piled up on the ground in Trenton, Mo., and 8 inches in many surrounding communities. Totals of 6 inches were measured in Moline, Ill., and Chicago.

Blizzards spread a foot-deep topping of snow from the Rockies to the Great Lakes and thousands of motorists who expected to get home Sunday night gave up and sought whatever shelter was available.

Highway traffic was halted in many states with Iowa and Nebraska hit hardest. Roads were also closed in Kansas, Missouri, Utah and Wisconsin, where 17 inches of snow was on the ground.

Motels were jammed and makeshift shelters sprang up in diners and service stations. A number of airports closed or cut back operations.

Six deaths were attributed to the storm, which rode winds up to 50 m.p.h. along a chilly arc that stretched from New Mexico to northwestern Illinois and Minnesota.

Police blamed fierce winds and low visibility caused by driving snow for the crash of a light plane near Eureka, Utah, that killed a Minnesota couple.

A New Mexico woman was killed when her car slid off snow-packed U.S. 64 and into the Rio Grande north of Santa Fe, and in Kansas the body of a motorist was found 100 yards from where his car had stalled in deep snow. He apparently was a heart attack victim, police said.

In Nebraska, a 47-year-old Omaha man died Sunday night after apparently suffering a heart attack while shoveling snow. A truck converted to a snow plow became stuck near Millard and one of two men inside died of carbon monoxide poisoning.

The blizzard described by veterans as perhaps the most severe in the Lincoln and Omaha area in a quarter of a century ground travel, business and industry to a halt. The homecoming welcome for the University of Nebraska's Orange Bowl champions, stranded in Miami, was postponed for at least a day.

Lincoln got 13 inches of snow and Omaha 10. State police reported that more than 1,000 motorists were stranded by the storm in a 25 to 30 mile stretch of Interstate 80 near Omaha.

Most of the travelers found refuge in truck stops and state police asked farmers to keep their lights burning through the night so their homes would be visible to stalled motorists.

## Farm Inmate Found Choked to Death

CUMMINS PRISON FARM, Ark. (AP) — A Cummins Prison Farm inmate was found beaten and choked to death with a shoestring in an isolation cell he shared with two other inmates early Sunday.

Correction Commissioner C. Robert Sarver said that the body of Gerald Bittle, 23, of Heber Springs, was found at about 12:30 a.m. Sunday by a guard.

Sarver said that no action will be taken in Bittle's death until the State Police file a report on the incident today. Bittle was serving two years for burglary and grand larceny.

# SST Issue Up to New Congress

By LAWRENCE L. KNUTSON  
Associated Press Writer

WASHINGTON (AP) — The expired 91st Congress left President Nixon's supersonic transport project in a legislative limbo, neither airborne nor grounded, neither dead nor forgotten.

One certainty is that the SST will keep the environment an issue and in the minds of congressmen far into the next session.

Less certain is how hard Nixon, faced with an extremely tight budget situation, will fight to preserve federal subsidies for the 1,800-mile-an-hour SST prototype development program.

Sen. William Proxmire, D-Wis., who battled the project to a standoff in the Congress that ended Saturday, has predicted the President may well drop the program entirely rather than face a new legislative defeat.

Republican Leader Hugh Scott and SST backers predict the opposite, saying the new Congress will approve SST spending at about a \$210-million yearly spending level.

In its last day of life, after weeks of enduring a Proxmire-led filibuster, the old Congress approved a stop-gap deal and sent to its successor a resolution allowing federal SST subsidies to continue through March 30.

Proxmire agreed to shut off the filibuster only after receiving public pledges that the question of further SST spending would get a yes-or-no vote on its merits, separate from the transportation appropriation bill in which it was contained.

Proxmire had sought to finish off the SST program ever since he successfully sponsored a Senate amendment deleting all super-plane money from the President's budget.

But he complained a stacked House-Senate conference and legislative power of such SST backers as Sens. Warren G. Magnuson, D-Wash., and Henry M. Jackson, D-Wash., were cheating him of victory.

Proxmire, backed by Sen. Gaylord Nelson, D-Wis., insists potential environmental hazards of a fleet of SSTs far outweigh any advantage.

Republican Leader Hugh Scott, calling that absurd, said SST development funding must be approved to make sure the faster-than-sound plane is safe.

# Reagan Seeks Reforms in Welfare

By BILL STALL  
Associated Press Writer

SACRAMENTO, Calif. (AP) — Gov. Ronald Reagan launched his second term today by proposing that California lead the nation in reforming welfare to weed out "those whose greed is greater than their need."

"There is no greater challenge facing the state or nation," the Republican chief executive said in his second inaugural address.

"If not us, who? If not now, when?" asked Reagan, who has been one of the most persistent and vocal critics of President Nixon's family assistance welfare reform plan.

Reagan, 59, said the only alternative—higher taxes to pay for rising welfare costs—is the easy way out and temporary at best.

In his prepared text, Reagan said he would spell out the details of his plan and discuss the state's bleak fiscal outlook—in a message to the legislature Jan. 12. State welfare spending now totals about \$2 billion a year and nearly 2 million persons receive aid.

The legislature also convenes today with Democrats taking control of both the Assembly and the Senate—a fact that is certain to complicate Reagan's plans for the welfare reform. In the outgoing legislature, Republicans controlled both chambers.

Reagan's second inaugural features an entertainment gala tonight starring Frank Sinatra, John Wayne, Jimmie Stewart and Jack Benny.

Welfare was the single issue Reagan discussed in detail in his inaugural remarks.

Mandated by statute and federal regulation, welfare has proliferated and grown into a vast, unmanageable, and unaffordable system, the governor said.

# Hebert Cites Danger of Putting Off B-1, Undersea Missiles

WASHINGTON (AP) — Rep. F. Edward Hebert, in line to become House Armed Services chairman, says it is dangerous to put off even a year the decision on whether to go ahead with undersea missile launchers or the B-1 bomber.

The Louisiana Democrat also indicated little faith in the U.S.-Soviet arms limitation talks—comparing them with the post-World War I 5-5-3 naval disarmament pact—and even less faith in Russian sincerity.

"They'd surprise me at nothing," Hebert, who is expected to succeed the late Rep. L. Mendel Rivers, D-S.C., when the 92nd Congress convenes, said in an interview with The Associated Press.

Some of the questions and answers:

Q. What's your view of the apparent slowdown in Russian deployment of this big SS9 missile? Do you think this is a signal? Do you think this should affect our stance in Helsinki?

A. I would approach with caution coming up with anything optimistic based on what a Russian did. As a matter of fact, I'd take the signal as a warning instead of a good omen.

Q. Oh, really? A warning of what?

A. To watch out they've got an ace to play someplace.

Q. Do you think they might be slowing down to put multiple warhead missiles on or something of that nature?

A. They'd surprise me at nothing. Now keep in mind this: when I'm saying this now I'm talking as an American. If I were a Russian, I'd probably be out doing what they're doing.

Q. Secretary of Defense Melvin R. Laird has indicated by the end of a year's time, when we see what the SALT talks do or do not produce, he has to face what he calls hard decisions on going into new weapons systems. Do you think we can wait that long before we move further toward a new bomber or a sea ...

A. No, no. Now, remember, the new bomber came—that's another thing I think I'm conversant with, I've been fighting the bomber fight for six years. Mr. (former Defense Secretary Robert S.) McNamara, in another one of his "brilliant" decisions. We haven't got the bomber yet ...

There again on the SALT talks, we'll go back to the years that this generation has forgotten. They've forgotten the Kellogg-Briand Pact, and the 5-5-3 Pact where the other people tore up the planes and we sank the ships. And we had World War II.

Q. How soon do you think the decision should be made whether to go ahead with the new undersea-launched missile or the B-1 bomber? Or do you think that they should just be gone ahead with?

A. No. I don't believe in just going wildly ahead. But certainly the decision shouldn't be delayed as long as it was, based on testimony on the (B-1 bomber.) I think the decision was very costly and still we don't have the bomber. Should have been done long ago.

Q. Well, you think a year is too long to wait?

A. Dangerous.

HYDEN, Ky. (AP) — A dynamite blast spread by coal dust has been blamed by inspectors for the mine disaster which took 38 lives last Wednesday.

Federal and state inspectors issued a brief statement to this effect Sunday.

The explosion was triggered by a blasting operation inside the Finley Coal Co. mine, they said following a two-day investigation.

"The explosion had to have fuel to burn," said H. N. Kirkpatrick, state mines and minerals commissioner.

The statement refrained from assessing any blame or going into details.

A federal hearing will begin Wednesday in the Perry County Courthouse, a few miles from where tragedy struck under a 700-foot mountain on Hurricane Creek.

The hearing is required under the 1969 federal Mine Safety Act. James Westfield, an official with the U.S. Bureau of Mines, will preside.

Kirkpatrick said underground searches and testing are continuing. He said coal dust samples will be taken and Westfield added that tests for methane gas will be made.

EVANSTON, Ill. (AP) — A Northwestern University fraternity which has been active in antiwar movements and planned to take in girl tenants has been ordered closed by its national alumni association.

Thirty members of Phi Kappa Sigma fraternity were given until Tuesday to vacate their chapter house in letters sent to their homes by the national officials. The winter academic term begins Wednesday.

William J. Kroyer, 20, chapter president, said Sunday the action was taken by "old N.U. WASPs of the '50s" who disagreed with members' political views and objected to recent plans to open the fourth floor of the house as a coed living unit.

The fraternity served as headquarters last May for an antiwar student strike following the U.S. military operation in Cambodia and the deaths of four students at Kent State University in Ohio during a confrontation with National Guardsmen.

J. Samuel Keller, president of the local alumni group which owns the building, said the idea of a women's unit in the fraternity was a fact in the alumni's mind.

# Middle East Negotiations to Resume

By MARTIN ZUCKER  
Associated Press Writer

JERUSALEM (AP) — Peace negotiators from Israel and Egypt were flying today to rejoin mediator Gunnar V. Jarring at the United Nations.

Israel's ambassador to the United Nations, Yosef Tekoah, left Tel Aviv this morning and said he would meet with Jarring Tuesday. Premier Golda Meir's coalition decided Sunday to send him for preliminary discussions on procedural questions.

Egypt's U.N. ambassador, Mohammed Hassan el Zayat, met with President Anwar Sadat Sunday after a week of consultations with other Egyptian leaders. He too, was to return to New York today.

The third party to the Jarring talks, Jordan, was reported planning to replace its representative with a more moderate man. Arab sources in Jerusalem who claim access to Jordanian government officials said Muhammad H. el Farra, Jordan's U.N. ambassador and a Palestinian, would be replaced temporarily by Jordan's ambassador to the United States, Abdul Hamid Sharaf.

Jarring arrived in New York Saturday night but refused to predict when the indirect Arab-Israeli peace talks would resume. Israel broke them off Sept. 6, charging that Egypt was cheating on the cease-fire. Jarring was recalled last week after the Knesset, Israel's parliament, endorsed the government's decision to start talking again.

The vote in the Knesset was 77-27, with nine abstentions. Several members commented Sunday that Israel had no alternative but there was much doubt the negotiations would be fruitful.

"If the talks come out positive, then thank God," said Yitzhak Navon, former deputy speaker. "If not—if there is war then we did all possible to achieve peace. If war does break out, it is because the other side refuses to make peace with us and imposes war."

Meanwhile, Arab guerrillas from Syria held up a U.N. observation post on the Golan Heights Sunday and made off with the post's transmitter, documents and flashlight, the Israelis reported. The two U.N. observers in the post, on Israel's side of the cease-fire line, were unharmed. The Israelis said they knew of no motive for the holdup.

LITTLE ROCK (AP) — Walter Carruth of Lexa, the American Party's unsuccessful candidate for governor, reported campaign expenditures Saturday of \$19,525.

Carruth finished third in the three-way race for governor with 36,132 votes. He said his expenses averaged 56 cents a vote.

Gov.-elect Dale Bumpers reported expenditures of \$293,676 in the general election. Gov. Winthrop Rockefeller reported spending \$1,314,162 in his unsuccessful campaign.

In a news conference, Carruth said that Bumpers had the potential of becoming Arkansas' greatest governor.

He said Bumpers had been given a "mandate" for change by Arkansas voters, but indications were that he was going to follow in the footsteps of Rockefeller.

Carruth said that Bumpers decision to retain Dr. Max Milam, head of the state Administration Department, and Correction Commissioner C. Robert Sarver, both Rockefeller appointees, indicated this trend.

"Mr. Bumpers has the opportunity to bring real change," Carruth said. "As of today, I don't see any indication he is going to bring this change."

Carruth said that Bumpers could follow the advice of some of the liberals around him and be a much better governor than Rockefeller than Rockefeller was himself.

He said the legislature would be more willing to cooperate with a Democrat than it was with a Republican.

The Lexa forum predicted that Bumpers would ask for a tax cut and a state school program, and that he would cut the state budget.

### New Years Party

New Year's Eve at the Hope Country Club saw about 100 members and guests celebrating the arrival of the new year of 1971 amidst garlands of tinsel and signs proclaiming Happy New Year.

Throughout the evening, cheese and crackers, party mix and pickles were enjoyed at tables of varying sizes decorated with candles. At the stroke of midnight, colored balloons were released from the ceiling. An old-fashioned country breakfast was served at 1 a.m.

Out-of-town guests included Mr. and Mrs. Hunter Long, Summit, N.J.; Mr. and Mrs. Tony Mays and Mr. and Mrs. Stan Abbott, Levelland, Tex.; Mr. and Mrs. Roy Wray, Little Rock. Host couples were Mr. and Mrs. Monty Monts, Mr. and Mrs. Tommy Crouch, Mrs. Lamar Cox and Luther Hollamon, and Mr. and Mrs. Jack Reynard.

### Party At Formby Home

Mr. and Mrs. Eldredge Formby had a New Year's Eve party at their home on the Patmos Road for the housekeeping aides and porters of Memorial Hospital. Ham and turkey snacks were served with punch. Favors were given to everyone, and fireworks were shot to welcome the new year.

Those taking part in the festivities were Pearlene and Bennie Lee English, Rose and Ernest Duffie, Juanita Ellison, Myrtle Richardson, Addie Mae Muldrew, Joe Stuart, Mary Stuart, and Charles Shepard.

### Births

Mr. and Mrs. Billy Ray Hastings of Prescott, announce the birth of a daughter born December 27. She has been named Triana Colette. Mrs. Hastings is the former Crystal Kay Olney of Hope.

## True Cardigan Elegance

By JUDY LOVE

The look of luxury is a lovely one—particularly when you can put it on your back. Here are two truly luxurious cardigans that are guaranteed to turn conversations and heads an elegant direction—your way.

The two sweaters that are yours for the knitting and crocheting are perfect for the brighter days and nights ahead. Each is worked in frothy soft mohair, with an unusual pattern stitch that's either self-worked or worked with ribbon.

The button-front cardigan features a crocheted closing and neckline, complete with matching buttons you crocheted quickly on plastic rings; sleeves are set in. The elegant pattern stitch is easy enough to work, although it looks difficult; it's simply a series of slip stitches repeated regularly, worked with Reynolds tubular ribbon.

The other equally charming and luxurious cardigan has a handsome crocheted border at the collar, front closing, around the sweater bottom and at the edge of the set-in sleeves. A lacy, flowerlike pattern covers the yoke and around the shoulders.

Both sweaters are knitted in Reynolds mohair No. 1, with special crochet work detailed in the easy-to-follow directions. Good news for many of us: Directions are available for sizes 8 to 18.

For instructions just send 50 cents to *Stitchin' Time*, c/o your local newspaper, Radio City Station, Box 503, New York, N.Y. 10021. Ask for leaflet S308, and include your name, address and zip code.

### KNIT KNACKS

DEAR JUDY—I'm an old-fashioned knitter with an old-fashioned request. Can you tell me where I can get directions for cozy bed

Cardigans that head their class—luxurious sweaters you knit in airtight mohair then detail with ribbon-crochet. Easy-to-follow directions for these two springtime specialties are available in sizes 8 to 18.

socks? Thanks.—Mrs. G. B. McIntyre, Pa.

DEAR MRS. G. B.: Of course, I know about bed socks. Everyone in my family has a new pair each year and wouldn't crawl into a cold bed without them. Here's a basic rule:

2 skeins 3-ply yarn, blue.  
1 skein, 3-ply yarn, white.

No. 6 needles; No. 3 needles.

Cast on 90 stitches in the blue on your No. 6 needles; knit plain (simple garter stitch), widening 1 stitch on each end of the needle until there are 100 stitches. Continue without widening until there are 10 ridges, then join on the white and knit over and back in alternate ridges of white and blue, keeping 2 stitches in the middle of the row in stockinette stitch, on each of these 2 stitches narrow every row, both back and forth by knitting 2 stitches together. When there are 50 stitches left on the

needle, stop narrowing, change to the No. 3 needles, and with the blue wool rib 4 inches deep by knitting 2, purling 2, finish with 1½ inches ribbed in the white. (Newspaper Enterprise Assn.)

## Television and Radio

By CYNTHIA LOWRY

AP Television-Radio Writer NEW YORK (AP) — Network television's festival of football over the holiday weekend may have seemed like discrimination against those viewers who find TV sports watching a drag.

There were, however, some treats for those with other ideas about entertainment. The colorful pregame parades on New Year's Day were among them. These, particularly the CBS and NBC coverage of the flower-decked floats of the Pasadena Rose Parade, lose about 90 per cent of their beauty and excitement if seen only in black and white.

There also was an attractive assortment of feature film broadcasts—"Life with Father" on New Year's Day, "An American in Paris" on Saturday and the first of a two-part showing of "Spartacus" Sunday. All may have been on the vintage side, but were top-notch quality, worth a second look.

The schedules were back to normal Sunday night—three boys encountering adventure stranded in Baja California on NBC's Disney hour; intrepid inspector Erskin solving a kidnapp-

ing case in time for the final commercial on ABC's "F.B.I." and Glen Campbell breaking up at Paul Lynde's comedy during the CBS singer's variety hour. It was very relaxing.

An unusual program merchandising device is finding new popularity during the general belt-tightening affecting television. They are called "Barter shows."

A sponsor—rather than network or station—underwrites a series or a special, including certain amounts of commercial time. Networks or local stations then are permitted to use the program or series free and to sell the other commercial time periods in the programs.

The Dinah Shore Show on NBC, recently renewed, is a barter show. So are Ralph Edwards' revived "This is Your Life," which will be seen soon on some ABC stations, among other outlets, and Betty White's upcoming "Pet Set," to be seen on independent stations. Mel Torme recently starred in a barter special shown by a number of local outlets around the nation.

NBC, pre-empting the first hour of its movie period tonight for President Nixon's conversation with network newsmen, will

**S.I.S. OFFERS LATEST WORD ON COMPUTER DATING; OTHER "SINGLES" HELP**

Dear Helen:

There are so many departments for all kinds of problems. Why isn't there a national organization for singles-without-children? "Parents Without Partners," while a wonderful thing for those who qualify, leaves out the growing number of people who find themselves alone and childless — or with children grown, or with the other partner.

Some of us women in our 30s and 40s tried a computer dating service. No luck — and we didn't get our money back either! We don't like to haunt "singles" bars. You make no lasting attachments there. We aren't panting for marriage, but we'd like to mingle in a slightly less female society.

Why don't Singles Clubs all over the country have a registry, put out a bulletin, or newspaper or something, so that unattached people won't feel so alone? — C.M.

Dear C. and all You Other Singles:

A start in this direction is being made in the San Francisco Bay Area where **SINGLES INFORMATION SERVICE (S.I.S.)** offers bulletins aimed at helping the unattached.

Just off the press is an S.I.S. report on "Commercial Matching Programs — Including Computer Dating and Introductions Services." It is free to anyone who sends a stamped, self-addressed envelope to:

guests of Mr. and Mrs. Albert Graves and other relatives.

Mr. and Mrs. Tony Mays and Mr. and Mrs. Stan Abbott, all of Levelland, Tex., were here last week to see Mr. and Mrs. J.K. Bennett.

Mr. and Mrs. Bill Wary and Linda have had as their guests Mr. and Mrs. Roy Wray and 2 children, Little Rock, and Mr. and Mrs. Billy Wray and son, Euleus, Tex.

Mr. and Mrs. Comer Boyett were Christmas guests of the C.C. Boyett, Jr. family in Searcy.

Mr. and Mrs. Leroy Wade and daughter have returned to their home, in Placentia, Calif., after a holiday visit with Mr. and Mrs. Homer Kennedy, Patsey and Mrs. Jimmy Williams.

That kind of money could provide adequate housing for over 100 farm workers — or build a school where "unemployables" might learn a trade.

## Bobcats Win, Girls Lose in Overtime

By BILL MOORE  
Star Sports Writer

Saturday night in the first two basketball games of the new year, the Hope Bobcats won a decisive victory over the Ouachita Warriors, 86-76, after the Ladycats lost a hard fought game, 59-55, in one overtime.

Only holding a 36-34 halftime lead, Hope finally started hitting the net in the second half, and although the Bobcats were without the services of John Dudley, showed some explosive offensive power.

Falling quickly behind, 8-5, the Bobcats tied the score at nine all with 3:20 left in the first period. Shots by Bill Rowland and Parker Powell gave Hope a 15-11 lead, but only three points left the Bobcats trailing at the end of the first period, 19-18.

Four points by Lynn Norton and one by Rowland tied the score at 23 all midway into the second quarter, but a cold streak by the Bobcats left the Warriors with 28-23 lead with 3:55 to go in the first half. However, after Norton and Powell both hit hot streaks Hope surged ahead for good and held a 36-34 halftime margin.

Coming back out in the second half the Bobcats took full charge of the game and after building up a sizeable lead coasted in the rest of the way for their sixth win against three losses.

Norton opened the second half with six straight points and after Powell and Rowland connected, Hope held a 46-43 margin. With all five of the Hope players hitting two points each, the Bobcats pushed out to a 57-45 margin and later after guard Buddy Ingram hit a last second basket, the Bobcats held a 62-53 lead with one quarter left to play.

Ouachita's Danny McMahon opened the last quarter with a two pointer but seconds later Norton hit a free throw and Ingram popped in two quick baskets to stretch the lead back out to ten points. Later with Hope leading 69-59, the Bobcats took a time out and after play resumed Ouachita outscored the Cats 13-5 to pull within two, 74-72.

Now, with just 2:12 left to play, Hope capitalized on various foul shots to push back out in front with a sizable lead and win.

Norton led the Bobcat scoring attack with 26 points followed by Powell with 22, Rowland hitting 14, Briggs scoring 13, and Ingram popping in 11. Randy Hathcock led Ouachita with 28 points.

Earlier the Ladycats were beaten in overtime 59-55, after at one time building up a 14 point lead in the fourth quarter. This lowers their record to 4-5 for the season.

Hope took a quick 3-1 lead on a basket and free throw by Dee Singleton, but with 4:38 left in the first quarter, Ouachita tied the score and then with both teams exchanging points, Diane Evans hit three points to give the Warriorettes an 11-8 lead with 1:51 left in the quarter.

Seconds later, after Janet McCain exchanged two points with Evans, the quarter ended with Ouachita leading, 15-12.

Singleton opened the second quarter with a basket and after McCain hit two points, Singleton

put Hope back in the lead, 18-17, with 5:31 left in the first half.

After Ouachita took a time out with 3:08 left in the half, guard Judy Reyenga stole the ball and threw downcourt to McCain who flipped it in for a 26-20 margin. Four points by Betty Podden gave Hope a 30-24 halftime lead.

Moving into the second half, the Ladycats began widening their lead on baskets by McCain and Singleton and after Rodden put two more points on the board, Hope held a 40-29 lead with 4:29 left in the third period. Four points each by Singleton and McCain gave the Ladycats a 48-34 margin, heading into the last quarter.

After McCain hit two points for a 50-36 Hope lead, the Ladycats lead began to decrease as only McCain and Singleton could hit any points, while the sharp-shooting ability of Kay Gray led Ouachita's comeback bid that tied the score with 30 seconds left.

With the score knotted at 55 all at the end of regulation play, the teams moved into overtime where Ouachita hit the only points for their victory.

Leading Hope was McCain with 25 points, followed by Singleton with 20, and Rodden hitting 10, while Gray hit 30 for Ouachita.

Defensive standouts for Hope were Reyenga, Cindy Hollis and Sandra Hamilton, with Janice Hobson and Sharon Brown also seeing action.

Tonight the Ladycats and Kittycats travel to Bradley for two games, the first beginning at 6:30 p.m.

## Fordham Has Shut Talent Drain Some

By KEN RAPPOPORT  
Associated Press Sports Writer

For years, talent drained out of New York and young men went West and everywhere else to play college basketball.

Fordham is trying to shut off the leak.

"There hasn't been a national championship won by a New York school for 20 years and we'd like to correct it," says Fordham Coach Richard "Digger" Phelps, whose undefeated club beat Princeton 81-71 Saturday night for its 11th straight.

But the Rams, despite the best record among major schools, still aren't ranked. And Phelps is trying to do something about that, too.

"That's our challenge," Phelps says, "we've played a pretty tough schedule and my kids keep winning and keep looking forward to getting ranked week-to-week."

Included among the Rams' victims are Florida, Miami, Fla., and California, all on the road, and Rochester for the Kodak Classic title at Rochester, N.Y.

The Rams' success over Princeton was part of a busy, post-holiday schedule Saturday. Top-ranked UCLA flicked away Dayton 106-82; second-ranked South Carolina clubbed Clemson 81-53; No. 3 Marquette turned back Detroit 70-61; No. 4 Southern California beat No. 18 Louisiana State 80-76 in overtime; fifth-ranked Western Kentucky tripped East Tennessee 86-83; No. 8 Kentucky lashed

## Hogs, Horns to Open SWC Play

By THE ASSOCIATED PRESS

The first shot in the Southwest Conference basketball title race will be fired at Fayetteville, Ark. Saturday when the Texas Longhorns play the Arkansas Razorbacks in what will just have to be called some kind of shootout.

It will be the first SWC game of the season and marks the first of three straight league clashes for the Razorbacks, trying to rebuild under new head coach Larry Van Eman. On Tuesday, Jan. 12, the Hogs play at Texas Tech and on Jan. 16 they host Rice.

But it won't be until Jan. 19 that all eight SWC members get into league warfare.

Three games are on tap tonight including Rice at Cincinnati, Creighton at SMU and North Colorado at Texas Tech.

The Baylor Bears provided the biggest splash of any SWC team in last week's round of tournament activity, fighting Navy to overtime before losing 78-76 in the championship round of the Palmetto tournament at Charleston, S.C.

Baylor's ace center Willie Chatmon led a scoring parade with 36 points as the Bears defeated Mississippi 132-113 in the first round, despite a 60-point performance by the Rebels' Johnny Neumann, the nation's leading scorer.

Chatmon was named the tournament's most valuable player and was joined on the all-tournament team by Baylor forward Roy Thomas.

In other tournament activity last week, Texas A&M lost twice in the Pointsettia Classic at Greenville, S.C., Texas Tech lost to New Mexico State 78-71 in the championship match of the Roadrunner Invitational at Las Cruces, N.M. and Texas defeated Dartmouth 85-76 for the consolation title in the Milwaukee Classic.

Mississippi 103-95 and No. 9 Jacksonville defeated the Virgin Islands 105-85.

Cincinnati stunned seventh-ranked Drake 60-59 for the Bulldogs' second straight setback and Mississippi State scored a nerve-racking 69-67 upset over tenth-ranked Tennessee.

UCLA returned home from a success in the Steel Bowl tourney and walloped Dayton before an appreciative home crowd. Sidney Wicks scored 28 points, Curtis Rowe notched 22 and the Bruins' press stifled every Flyer but Ken May, who scored 34.

South Carolina, fresh from the Holiday Festival victory, unleashed a biting press at Clemson because Coach Frank McGuire wanted to "wake our guys up."

It did, and it also put Clemson to sleep. The Gamecocks had a 28-9 lead in the first 12 minutes and it was all over.

Dean "The Dream" Meminger also woke up Marquette, pocketing 25 points and the Warriors slapped a hounding defense on Detroit.

Southern Cal had a tough one with LSU. The Trojans were losing by 10 points with 4:51 left, but Danny Layton led them back with long-range shooting. Paul Westphal then put in four free throws in the final 21 seconds of overtime.

Kentucky overcame a 47-point performance by Johnny Neumann, the nation's leading scorer, in opening defense of its Southeastern Conference title. Mike Casey led the Wildcats with 23 points.

Artis Gilmore scored 29 points to lead Jacksonville over the surprisingly-tough Virgin Islands.

Dave Johnson threw in two foul shots with 20 seconds remaining to give unranked Cincinnati the victory over Drake. Steve Wenderfer led the winners with 19 points.

## Dallas Admits Surprise at Taking Title

By JACK STEVENSON  
Associated Press Sports Writer  
SAN FRANCISCO (AP) — Coach Tom Landry of the Dallas Cowboys readily admits he thought his team's chances of reaching the big money of the National Football League Super Bowl were a flat zero just six short weeks ago.

Yet these same big Cowboys now prepare to battle Baltimore's Colts in the premier football show at Miami on Jan. 17.

"Baltimore's offense will provide much the same challenge as did the 49ers," reasoned Landry after his team of desire beat San Francisco 17-10 on Sunday in chilly Kezar Stadium to capture the championship of the National Football Conference.

Going back less than two months, Dallas had just lost to St. Louis 38-0 and early in the season had fallen to Minnesota by an astounding 54-13.

And there was that history of the Cowboys losing big games — little battles to Green Bay in 1966 and 1967 and failing to get past the first playoff rounds the next two years.

History didn't repeat when they battled the 49ers. With a tremendous running game powered by rookie Duane Thomas and gutsy Walt Garrison, Dallas beat the favored 49ers.

That knocked off the second West Coast hopeful for the Super Bowl. Only hours earlier in Baltimore the Colts whipped Oakland 27-17 in the American Conference finale.

Landry declared the victory over the 49ers must take the "loser onus" off his Cowboys — although he pointed out quickly "there is one game left."

He feels quarterbacks John Brodie of the 49ers and Johnny Unitas of the Colts present similar problems.

"Brodie was fabulous this season and I think I aged 20 years in the second half Sunday," he declared. "When you play Baltimore, you're playing another great pro in Unitas."

"Baltimore, like San Francisco, is a passing team with great receivers. They'll give us about the same challenge as did the 49ers."

Thomas, a 220-pound rookie from West Texas State, scored the touchdown that broke a 3-3 tie in partisan Kezar and Garrison scored the one that made the final difference on a five-yard pass from quarterback Craig Morton.

First-half scoring came on a 16-yard field goal by Bruce Gossett of the 49ers and a 21-yarder

by Dallas' Mike Clark.

There were keys to the victory and keys to the previous six games the Cowboys had won in succession after being only 5-4 after that one-sided loss to St. Louis.

"Lee Roy Jordan's interception was the real key play," Landry declared in a steaming, jam-packed dressing room. "But the key to the game was our ability to run the football."

A later key was a pass interference penalty.

On Jordan's interception, Brodie had been dropped at his 14 for a seven-yard loss by Dave Edwards. He threw next, a low one that Jordan caught at his shoelaps at the 17 and returned to the 13, setting up Thomas' run for the game's first touchdown with four minutes gone in the second half.

"I was trying to throw it into the ground," Brodie admitted.

"The guy made a great play," Thomas, who gained 143 yards rushing during the game, credited his offensive line for the Dallas touchdown on the ensuing play.

"I misread the blocks and started to go outside before I realized I was supposed to go inside tackle and when I corrected, the hole was still there," Thomas declared. "That shows just how great our line really is."

Garrison scored on the first play after the 49ers' Mel Phillips was charged with interference at the five on a pass intended for Bob Hayes — a 24-yard penalty on a pass which obviously was far over the intended receiver.

## Nebraska Has Inside on Top Spot

By TOM SALADINO  
Associated Press Sports Writer

Notre Dame's convincing Cotton Bowl triumph over Texas huddled the Fighting Irish into contention for the coveted No. 1 spot in college football but the unbeaten Cornhuskers of Nebraska appear to have the inside track after their expected Orange Bowl victory.

In an amazing turnabout on New Year's Day, Notre Dame, upended top-ranked Texas 24-11 while underdog Stanford smashed No. 2 Ohio State 27-17 in the Rose Bowl before third-ranked Nebraska edged Louisiana State 17-12 in Miami.

Tennessee, No. 4 ripped Air Force 34-13 in the Sugar Bowl as expected.

Notre Dame, 10-1, avenged last year's 21-17 defeat to the Longhorns in the Cotton Bowl while ending Texas' winning string at 30 consecutive games.

"Hell, yes, we're Number one," shouted Nebraska Coach Bob Devaney after the Huskers bowl victory.

"We're the only undefeated team," Devaney said after Nebraska closed out its season with an 11-0-1 mark.

Ironically, the only mar on Nebraska's schedule was an early season 21-21 tie with Southern California. It was the same Trojans who administered Notre Dame's defeat, a 38-28 beating which could be a decisive factor in deciding the No. 1 team in the nation.

The board of selectors for The Associated Press vote early this week in the final poll of the season.

# Few Thought Colts Would Make It

By GORDON BEARD  
Associated Sports Writer  
BALTIMORE (AP)—The Baltimore Colts, doubted by their followers and outcasts in the American Football Conference, are on their way to the Super Bowl.

Forcing the breaks which Coach Don McCafferty said would make the difference, the Colts polished off the Oakland Raiders 27-17 to win the AFC title Sunday and debunk charges they had yet to prove themselves.

Now it's on to Miami for a Jan. 17 Super Bowl date against the Dallas Cowboys, who defeated the San Francisco 49ers 17-10 for the National Conference championship, and a shot at another \$15,000 prize.

The Colts will collect a minimum \$8,500 for whipping the favored Raiders, but there was more money at stake.

"Maybe this will wipe out our game against Kansas City which millions of people saw on television," said Dick Bielski, coach of Baltimore's receivers.

Even Baltimore fans were willing to write off the Colts after they were manhandled 44-24 by the Chiefs in the second game of the season.

Nothing the Colts did later changed the early season opinions. Even when they won the Eastern Division with an 11-2-1 record, the Colts were accused of having faced patsy opposition.

In addition, as one of three former National Football League teams switched to the AFC with 10 onetime American League teams, the Colts were considered outsiders.

But the Raiders were the last of the old AFL teams left, and the Super Bowl will match two longtime NFL rivals.

A 68-yard touchdown pass from 37-year-old John Unitas to Ray Perkins, after Oakland had punted to within 20-17 early in the fourth quarter, sent the Raiders down to defeat.

Perkins, bothered by a broken toe and suffering from a fever, which limited his practice during the week to 20 minutes, broke free as the Colts used four wide receivers in a play pattern tried for the first time this year.

George Blanda, Oakland's 43-year-old wonder hose last-minute heroics during the regular season brought the Raiders to the title game, rallied them again after starting quarterback Daryle Lamonica was hurt in the second period.

But the Colts moved ahead to stay on rookie Jim O'Brien's second field goal, and then made it 20-10 when rookie Norm Bulaich scored his second touchdown.

Baltimore's rugged defense, which blanked the Cincinnati Bengals 17-0 in the playoff opener, dumped Oakland quarterbacks five times for 48 yards in losses and picked off three interceptions.

In addition, Sam Havrilak of the Baltimore special team recovered a fumbled punt by George Atkinson to set up a second period TD which put the Colts ahead 10-0.

"This was our best performance of the year," McCafferty said. "But I don't think we've reached our peak since making

## Independents Round Out First Half

In the final games of the first half of the season in the Independent Basketball League Perry's beat Blevins 131 to 122 in an overtime while Spring Hill won out over Monte's 107 to 99 in an overtime.

adjustments after we suffered some injuries. Our best football is still ahead of us."

Bulaich, Baltimore's No. 1 draft pick who blossomed late after overcoming injuries and an early tendency to fumble, gained 71 yards on 22 carries. Unitas completed just 11 of 30 passes for 245 yards, but lost only eight yards behind the line and wasn't intercepted.

Interceptions and rugged running by a rookie also played key roles in the Dallas victory at San Francisco.

Rookie Duane Thomas, who gained 143 yards on 27 carries, broke a 3-3 tie with a 13-yard TD run in the third period after linebacker Lee Roy Jordan intercepted a John Brodie pass.

On the next series, Brodie fired a long pass which Mel Renfro intercepted and set up a 62-yard Dallas drive culminated by a 5-yard TD pass from Craig Morton to Walter Garrison, which made it 17-3.

Brodie, the NFC's leading passer in 1970, later tossed a 26-yard scoring strike to Dick Witcher, but that was the last gasp for the 49ers who have yet to win a title in 25 years.

Dallas, meanwhile, reached the Super Bowl for the first time after making league play-offs for the fifth consecutive year.

The Colts, who lost to the New York Jets in their only previous Super Bowl appearance, sent the AFC's leading passer to the bench when end Bubba Smith smacked down Lamonica and injured his groin.

"This is as big if not bigger than playing in the Super Bowl," defensive tackle Billy Ray Smith said of Sunday's game. "No one thought we could do it."

"We didn't rush Blanda as hard as we should," Billy Ray said, "but we were set up more against the run."

Blanda completed 17 of 32 passes for 271 yards, including a 38-yarder to Fred Biletnikoff in the third period which tied it 10-10 and a 15-yarder to Warren Wells to pull Oakland to within 20-17. Both scoring drives went 80 yards.

Despite Oakland's TDs on passing, executive owner Al Davis left his press box seat to scream at the assistant coaches spotting nearby after the Raiders passed unsuccessfully following a series of first downs on the ground.

Oakland Coach John Madden, who said he had "never seen Unitas play better," defended his own team's play selection as nothing unusual.

## Wonder Boys Dump College of Ozarks

By THE ASSOCIATED PRESS  
Three players put in a total of 77 points for Arkansas Tech and the Wonder Boys dumped College of the Ozarks 110-99 in AIC basketball action Saturday night.

The victory gave Tech a 4-1 league mark to 0-5 for the Mountaineers.

Tommy Shaw and Larry Coombs each put in 26 points for Tech and David Combs had 25. For Ozarks, John Reed scored 25 and Dicky Jones had 23.

In other AIC action Saturday, Ouachita rolled to a 70-58 victory over Harding and Arkansas College defeated Hendrix 71-66.

Gary Weeks hit 29 points to lead Arkansas College and Chester Lucas had 21 for Hendrix. Both teams are 2-3 in AIC play.

Ouachita broke away from Harding early in the second half and never trailed the Bisons. Frank Mitchell led Ouachita with 26 points.

Ouachita has a 2-3 AIC record and Harding is 0-7.

## Greek Thinks Super Bowl Is Tossup

LAS VEGAS, Nev. (AP) — Jimmy "The Greek" Snyder, the oddsmaker, said Sunday the Super Bowl is a toss up.

He listed the odds as even for the Jan. 17 clash at Miami, between the Baltimore Colts and the Dallas Cowboys.

Snyder missed the past two Super Bowls by wide margins, picking the Colts in 1959 and the Minnesota Vikings a year ago.

## Rookie Leads Kentucky to ABA Victory

By THE ASSOCIATED PRESS  
Mack The Knife was a cut-up as usual ... but couldn't take the edge off Dan Issel's performance.

Mack Calvin, the league's leading scorer, made 34 points for the Floridians, but rookie Dan Issel put in 36 to lead Kentucky to a 124-119 American Basketball Association victory Sunday night.

The Floridians had a 68-61 halftime lead with Calvin showing the way, then Issel's hot hand carried the winners in the last two periods.

Bad shooting in the closing minutes hurt the Floridians. They came down the floor four times with four minutes to go when the score was tied at 110 and missed all four scoring tries.

Pittsburgh bounced New York 115-109, Virginia trimmed Carolina 135-124 and Denver turned back Texas 129-124 in overtime in the night's other ABA games.

In the National Basketball Association, Phoenix slammed San Francisco 102-81 and Boston blasted Atlanta 140-128.

In the ABA Saturday night, it was Carolina 118, New York 99; Utah 134, Texas 109; Virginia 137, Pittsburgh 126 and Indiana 134, Kentucky 132.

In the NBA Saturday night, it was Boston 125, Philadelphia 120; Atlanta 112, New York 103; Baltimore 108, Detroit 99; Milwaukee 118, Cleveland 73; Cincinnati 115, Buffalo 103, Chicago 136, Portland 113; Phoenix 122, San Francisco 116 in overtime and San Diego 109, Los Angeles 108 in overtime.

The Colonels chipped away behind Issel to make up the seven-point halftime deficit and tie their contest at 96 at the end of the third quarter. When the Floridians lost their scoring touch, the Colonels scored on two turn-overs in the late going to pull away.

John Brisker and Stew Johnson scored 26 points and George Thomson 22 to lead Pittsburgh over New York. The Condors built a halftime lead of 65-55 and held on the rest of the way. Rick Barry led the Nets with 27 points.

Charlie Scott scored 37 points for Virginia as the Squires pulled away from a two-point halftime lead. Joe Caldwell had 31 points for the losers.

Denver rookie Ralph Simpson came off the bench and scored six points in the overtime session as the Rockets rallied for 12 straight points after Texas had scored the extra period's first seven.

## Former State Players Join Coaching Staff

JONESBORO, Ark. (AP) — Arkansas State University Coach Bill Davidson announced Saturday that Sammy Weir and Clinton Gore will join the ASU football coaching staff effective immediately.

The appointments were made to fill the positions held by Marvin Hagaman and Joe Jones, who are expected to join the Tulane staff of former ASU Coach Bennie Ellender.

Ellender accepted the position with Tulane in late December after leading the ASU team to the number-one ranking in The Associated Press College Football Poll.

Davidson said Weir will work with the Tribe's split receivers and Gore will head up the defensive secondary. Davidson said he hopes to name a defensive coordinator in the coming week.

Both Weir and Gore are ASU graduates and former ASU players.

Prior to joining the Indian staff, Gore, 31, was the football coach at Paragould High School.

Weir, 29, was an All-American. He has played semi-pro football with the Charleston, Va., Rockets. He has also played with the Houston Oilers, New York Jets and Orlando in the Continental.

Before returning to ASU, he was head football coach at Batesville.

Left Wings Underrated in Hockey

By HAL BOCK Associated Press Sports Writer

Johnny Bucyk and Dave Balon are a couple of underrated left wings who share the shadows in the National Hockey League.

Boston's Bucyk is often lost in the scoring pyrotechnics produced by Phil Esposito and Bobby Orr and New York's Balon labors effectively but largely unnoticed, foregoing the slap shots that attract attention.

But Bucyk and Balon were the key men Sunday night in moving the Bruins and Rangers to victories that kept Boston one point ahead of New York in the hectic East Division race.

Bucyk collected three goals in Boston's 5-1 victory over Philadelphia and Balon had a pair including the winner in the final minute as New York edged Montreal 6-5.

Elsewhere in the NHL Sunday, Detroit trimmed California 3-2, Chicago whipped Buffalo 5-3 and St. Louis shelled Los Angeles 7-3.

In Saturday's action, New York topped Pittsburgh 3-1, Toronto bombed Detroit 13-0, Montreal defeated California 5-3, St. Louis took Vancouver 3-1, Chicago trimmed Philadelphia 3-1 and Minnesota and Los Angeles played to a 3-3 tie.

Bucyk's hat trick gave him 23 goals for the season, the same number as Balon and Chicago's Bobby Hull, who also had two Sunday. Only Boston's Esposito, with 34, has more.

Bucyk started the Bruin assault on Philadelphia with a second-period goal, then added a pair of power-play goals in the final 20 minutes. Orr, running second in the scoring race to Esposito, and Ed Westfall had the other Boston goals.

Balon brought the Rangers back with just 55 seconds left in the game when his pass from behind the net struck Montreal goalie Phil Myre's skate and bounded in for New York's winner.

The Red Wings, rebounding from Saturday night's 13-0 trouncing at Toronto, knocked off California with goalie Roy Edwards making his first start since Dec. 6.

WIN AT BRIDGE Accurate Bidding Gives Good Score By Oswald & James Jacoby

Bridge hand diagram showing North (D) and South hands with cards and tricks.

Oswald: "It was nice to see Caroline (Mrs. Camp) Flounoy of Shreveport and George Dawkins of Houston win the Master's Mixed Pairs at the recent Nationals."

Jim: "It was indeed, I must be getting old because they both appeared in tournaments after I started."

Oswald: "Here is a hand that helped him. George sat North and, as frequently happens in mixed pair games, took control of the bidding."

Jim: "However, he took control in a rather unusual manner. After checking for aces he gave up his fine six-card heart suit and let Caroline play the slam in one of her suits."

Oswald: "If he had insisted on hearts they wouldn't have won. You can't make a slam when you lose one ace and a trump trick."

Jim: "East won the spade lead with his ace and led the suit back in the hope that his partner had led a singleton. Caroline won and proceeded to play ace and another club, which she ruffed in dummy. She started after trumps and when they broke 3-2 she was home. She could enter dummy with the last high spade and discard her last three clubs of the ace, king and queen of hearts."

Oswald: "It wasn't difficult to play and it doesn't look difficult to bid but six diamonds bid and made was worth 10 match-points out of a possible 12."

Jim: "Other pairs stopped at game or bid the impossible heart slam, thus their accurate bidding gave them a good score."

# Bombers Hit Enemy in S. Vietnam

By GEORGE ESPER  
Associated Press Writer  
SAIGON (AP) — U.S. B52 bombers attacked North Vietnamese positions in South Vietnam today for the first time in a month after intelligence reports of a new buildup in the northwestern part of the country.

Six of the Stratofortresses dropped 180 tons of bombs less than half a mile from the demilitarized zone and the Laotian border, and at the head of the A shau valley 60 miles to the southeast along the Laotian border.

The U.S. Command said the targets were "infiltration routes, storage sites, bunkers, base camps and staging areas."

Since last October, the B52s have been used almost entirely against the Ho Chi Minh trail, trying to cut the movement of supplies and reinforcements before they reach South Vietnam. During the past three months, the big bombers have flown nearly 3,000 sorties against targets in Laos, compared to about 100 in South Vietnam. A sortie is one flight by one B52, each carrying 30 tons of bombs.

The North Vietnamese usually move the bulk of their supplies south between October and May, when the dry season prevails over Laos and roads and trails are passable.

On the battlefields, South Vietnamese troops backed by bombers and artillery reported 21 North Vietnamese and Viet Cong killed Sunday in scattered clashes in the U Minh forest deep in the Mekong Delta. Field reports said four South Vietnamese soldiers were killed and 12 wounded.

No major battlefield action involving American troops was reported. But the U.S. Command said three Americans were killed and 14 wounded in a small firefight and in booby trap and mine explosions in various parts of the country.

In Cambodia, government forces sweeping an area two miles south of Prey Totung, on Highway 7 about 40 miles northeast of Phnom Penh, clashed with North Vietnamese and Viet Cong troops. The Cambodian command said seven Cambodians and 11 enemy troops were killed and four Cambodians were wounded.

The U.S. Command in Saigon announced that American troop strength in Vietnam dropped by 138,600 men in 1970 and totaled 335,800 men on Dec. 31. It was the lowest level since Oct. 15, 1966, when 330,400 American troops were in Vietnam.

## Old Cowboy Scoffs at Retirement

DANVILLE, Calif. (AP) — Jack Hart will be 99 this month, but the grizzled old cowhand scoffs at the idea it's time to retire.

"I've been a cowboy all my life," says Hart, still looking the part in a black rolled-brim hat, heavy coat, boots and the rest of the traditional gear.

"I can still handle horses, and I still ride some," Hart said. He plans a trip to the Fort Worth, Tex., rodeo next month, although he quit competing half a century ago.

"I still make the rodeo circuit and sometimes I pick up a job taking care of the ropers' or doggers' horses—whoever pays the most money," Hart said. "Right now, I'm kind of sitting on my duff."

Although his sight is fading a little, his hearing is still sharp. Hart, born in Indian territory in 1872, had the same birthplace as Will Rogers: Oologah, Okla., but don't ask him how to spell it.

"Hell, I dunno," says Hart, who figures he'll be 99 on Jan. 25.

"I went to work on a big ranch in Montana first," he relates. "I worked as general cowhand in my teens, and I've driven herds on both the Chisholm and Santa Fe trails. I've been to Texas and Dodge City, and east to North Dakota."

"I guess the biggest trail drive I was ever on had about 3,000 head."

"Riding wagons without any cushions and sleeping on the ground in a tarp wasn't too easy a life, though."

Hart began following the rodeo circuit, entering steer roping events to pick up prize money.

## Eight Persons Lost Lives on Highways

By THE ASSOCIATED PRESS

The coming of the new year brought tragedy to the state's highways as eight persons lost their lives during the New Year's holiday weekend.

Three of the victims were killed Friday night in a two-car crash on U.S. 65 near McGehee. Homeward-bound motorists were hampered Sunday by rain and slippery roads in the state. State Police said, however, that only two persons were killed Sunday. The other three victims died Saturday.

The Associated Press count of holiday traffic deaths began at 6 p.m. New Year's Eve and ended Sunday at midnight.

The victims were:  
— Mrs. Janey Birchfield Royce, 22, of near Lake Village, driver of one of two cars that collided head-on Friday near McGehee on U.S. 65.

— Martha A. Birchfield, 25, of near McGehee, a passenger in the car driven by Mrs. Royce.  
— Sarah M. Howell, 23, of Tyler, Tex., also a passenger in Mrs. Royce's car.

— R. D. Meadows, 35, of Shreveport, La., killed Saturday while riding in a car that crashed into the rear of another on U.S. 61 in Joiner.

— Jimmy L. McGee, 36, of Texarkana, killed Saturday night when a car he was driving hit a dip in Interstate 30 about three miles south of Malvern and flipped over, pinning him.

— George W. Matthews, 27, of near Brinkley, killed Saturday night when struck by a car as he walked in a Brinkley city street.

— Leon C. Collins, 37, of Kankakee, Ill., killed early Sunday as he walked along Interstate 40 and the U.S. 55 by-pass east of West Memphis.

— Mrs. Vera Rash Cloud, 53, of Monticello, killed Sunday when her car struck a Missouri Pacific train inside the Tillar (Drew County) city limits.

# Nixon TV Conference Is Tonight

By FRANK CORMIER  
Associated Press Writer

WASHINGTON (AP) — President Nixon, who will hold an hour-long TV-radio conversation with four broadcast journalists tonight, says he would be willing to have a similar session with representatives of the writing press.

Chatting informally with four reporters on New Year's Eve, Nixon said the television network already have indicated they would provide broadcast time for such a presidential question-and-answer meeting.

Nixon, however, said difficulty in agreeing on which four writers would represent news agencies, newspapers and news magazines might prove to be an insurmountable obstacle.

Tonight's broadcast will originate live from the basement-floor library of the White House at 9 EST.

The idea for the program originated with the White House, reportedly with the aim of showing Nixon in a warm and intimate setting. A White House aide was quoted as saying:

"So many people say they want to know what the President is really like, we thought this was a good way to show them."

Another aide indicated the White House is hoping the broadcasters will ask generalized questions instead of making inquiries keyed closely to current news developments.

But press secretary Ronald L. Ziegler said no restrictions have been placed on types of questions that may be asked or on subjects to be explored.

He said the program would be "a general conversation in depth and perspective on major issues before the country and the presidency."

The four broadcasters who will question Nixon are Howard K. Smith of the American Broadcasting Co., Eric Sevareid of the Columbia Broadcasting System, John Chancellor of the National Broadcasting Co. and Nancy Dickerson, a former

## UCLA Seeks Replacement for Prothro

LOS ANGELES (AP) — UCLA searched for another football coach today and Tommy Prothro, after 15 years as a college mentor, embarked on a new career as field boss of the professional Los Angeles Rams.

Ram President Dan Reeves signed the 50-year-old Prothro Saturday, three days after his coach for five years, George Allen, was handed his walking papers.

The Rams did not disclose the terms of Prothro's contract but it was learned from a reliable source that it was for five years and considerably more than the \$45,000 salary and \$20,000 bonus paid Allen.

## Seems to Be New Year for Al Hattab

It really is a new year for Al Hattab.

The Pelican Stable runner, who failed to win a stakes and earned only \$55,190 in 1970, after a solid \$282,229 season in 1969, made his 1971 debut a smashing success with a head victory over Irurzun in \$31,600 Orange Bowl Handicap at Tropical Park.

Ridden by John L. Rotz, the 5-year-old Al Hattab, the favorite who carried 119 pounds, took the lead leaving the far turn and then withstood Irurzun, 119, with Pagan King, an 80-1 shot, third.

Al Hattab ran the 11-16 miles in 1:42 and paid a winning mutuel of \$6.60.

At Santa Anita, Frank McManahan's swift Jungle Savage, 117, romped to a 3 1/2-length victory over Ack Ack, 129, with King of Cricket, 119, third in the \$32,850 Palos Verdes Handicap.

Jerry Lambert sent the 5-year-old winner over six furlongs in 1:08.3-5 for an \$8 payoff.

John L. Argo's 3-year-old filly, Movette, ridden by Herb Hinojosa and carrying 119 pounds, paid \$3.40 after winning the one-mile, \$27,150 New Hope Stakes at Liberty Bell in 1:38. Our Cherri Amour was a nose back, and Hot Candy was third.

## HOPE (ARK.) STAR. Printed by Offset

NBC correspondent representing the Public Broadcasting Service.

Ziegler acknowledged he had suggested the networks be represented by anchor-men of the popular early evening news programs. However, he said the networks selected the participants.

When Nixon held a similar TV-radio conversation with Smith, Sevareid and Chancellor in Los Angeles last July 1, questioning was limited to foreign policy subjects.

The President spent the holiday weekend at Camp David, Md., watched televised football

games and worked on his State of the Union Message to be delivered to Congress Jan. 22.

The White House announced he had vetoed a bill to revise the system under which federal blue-collar workers are paid. The bill would have provided a 4 per cent pay hike to 800,000 workers by providing an extra pay grade in each job classification.

Nixon, in his veto message, said the bill would have fed inflation with "costly and unwarranted pay features." He said the only way to pay costs of the raise would have been to cut jobs, especially in the Defense Department.
